

National Council for the Development of Community Interpreting

Summer/Fall 2008
Issue: #2

New logo for Critical Link Canada

CLC has a new logo! Designed by Liesl Mitchell, this updated symbol continues to represent the community interpreter as the "critical link". Look for it on all of the CLC materials.

Save the Date - Conference 2009

Meeting the global shift head-on: Professional interpreting as the critical link
May 6th to 8th, 2009

Critical Link Canada and the Provincial Language Service (a service of the Provincial Health Services Authority) are pleased to announce an international conference being held in beautiful Vancouver, British Columbia.

See our [website](#) for more details and sponsorship opportunities. We are relying on our membership to support CLC in promoting and contributing to the success of this conference.

Membership

Our membership stands at forty-one (41). Eleven of which are organizational memberships.

Committees

The Communications, Standards and Training and National Conference committees have been meeting on a regular basis. Some highlights are the [National Standards Guide](#) the new logo, and work on the 2009 conference. Members who wish to serve on these committees should contact the chairs of the committees:

Updates

The AGM took place in June 2008. As part of the president's report, members heard about the work that is underway to align the goals and activities of the International Critical Link Conference Planning Committee with Critical Link Canada. The recommendations will be presented at 2009 Conference in Vancouver.
